

# COLEGIUL NAȚIONAL „ȘTEFAN CEL MARE”

## SUCEAVA

# SHORT HISTORY

On the 10<sup>th</sup> of June 1860, by Order no. 14805 issued by The Ministry of Education from Austria, Königliche Kaiserliche Gr.-O Obergymnasium Suczawa is founded that is to become “Ștefan cel Mare” Highschool on the 2<sup>nd</sup> of January 1919 and which has been functioning as National College “Ștefan cel Mare” since 1999.

We take pride in our graduates awarded with the **Nobel Prize**:

- For peace (Peter Tomaschek, teacher-the class of 1937, Gheorghita Cretu, engineer- the class of 1987 Organisation for the Prohinition of Chemical Weapons, the Hague 2013)

# MISSION

**Ștefan cel Mare College is a prestigious theoretical high school education institution from Suceava, which undertakes the mission to actively promote national and European cultural values, through an institutional approach based on quality, equity, efficiency and the formation of key skills regarding the affirmation of the graduate's personality in society.**

# STRATEGIC OBJECTIVES

- 1. Improving the institutional management on all levels.
- 2. Enhancing the quality of the educational services and boosting excellence by implementation of a curriculum focused on and the acquisition of key competences.
- 3. Designing and performing the formal and non-formal educational activities that will ensure a beautifully balanced, yet complex development of our pupils' personalities.
- 4. Stimulating the participation at permanent education and building up a lifelong learning culture.
- 5. Developing the autonomy of the college by efficiently implementing the decentralization policy for the secondary school system.
- 6. Making the high quality standards of material resources compatible with those of human resources; pupils and teachers.

# MATERIAL RESOURCES

- 1 counselling office
- 5 Informatics laboratories
- 1 Foreign Language laboratory
- 1 Physics Laboratory
- 1 Chemistry Laboratory
- 1 Biology laboratory
- 1 gym

# MATERIAL RESOURCES

- Our college has:
  - 27 classrooms
  - 1 festivity hall equipped with 150 seats
  - 1 chapel
  - 1 doctor's office
  - 1 library

# We are proud of ...

The team of teachers and the collective of students of the college creatively appropriate the slogan of today's European Union "innovate or die" and remain devoted to the phrase that defines our institutional profile: "Always the best".

A decorative graphic on the left side of the page, consisting of a network of white lines and small circles, resembling a circuit board or a tree structure, set against a dark blue background.

# VOLUNTEERING

# LET'S DO IT ROMANIA!

- “Let’s Do It, Romania!” is the largest volunteering action in our country, whose aims are to protect the environment and solve the waste issue in Romania. Our students were inspired by this noble movement and contributed to cleaning the green spaces in Suceava.

**Let's do it  
Romania!**

# THINK GREEN

“Think Green” consisted of a collaboration between the students and teachers of CNSCM with a view to improving the green areas within the surroundings of our high school. The action was a great success, resulting in the beautiful leisure space the students are able to enjoy today.

**Think  
Green**

# SHOE BOX

It was meant to offer a child in need a new pair of shoes on Christmas Eve.

**Shoe Box**

# SNAC

This project involves working with children having special needs. It involves a lot of charity work, such as donations of fruit and vegetables, clothes, sweets, toys and working with them in different projects.

*La multi ani,  
Gabi!*

*Bucuria  
Craciunului*

# THE CHOIR

- Music ennobles the soul of our students, who are actively involved in world-wide competitions via the multi-international award-winning “Ciprian Porumbescu” choir.

# PROJECTS

# ENGLISH SUMMER SCHOOL

- Being a universal, widespread language, English is interactively taught through various extracurricular projects and activities that develop much-needed skills in our increasingly interconnected society.

## English Summer School

# EUROPEAN RESEARCHERS' NIGHT

The event takes place on **28<sup>th</sup>**  
**and 29<sup>th</sup>** September  
allowing everyone to get  
involved from anywhere in  
scientific experiments and  
practices.

**European  
Researchers'  
Night**

# FRESHMAN'S WEEK

- This week involves activities to welcome the newcomers to our highschool. These are meant to break the ice, meet new people and connect to the teachers.

# ZEL (EUROPEAN LANGUAGES DAY)

- This celebration is meant to promote the European languages through debates and projects involving cultural diversity and traditions.
